Uzbek, English, Russian

Experience

○ May 2023–June 2023
Telegram bot @countriesinfo_bot
Creator of "Atlas Bot" on Telegram, a dynamic platform delivering instant, detailed country insights. Users access real-time data on geography, population, and culture, fostering global awareness. The bot is a valuable resource for students, travelers, and researchers, providing a comprehensive understanding of the world. Demonstrates expertise in bot development, data integration, and user experience design, contributing to a more informed and globally connected audience.

Games

○ **Checkers**
Crafting Checkers was challenging, but fun. Overcame problems, enjoyed the process, turned ideas into a successful game.

○ **Words search**
Developed an engaging 10x10 word search game featuring a grid of strategically placed letters. Challenge users to uncover hidden words, showcasing problem-solving and creativity.

Achievements

○ 2020–2021
Mathematic Olympiad
Twice district champion, consistently ranked within the top 10 at the city level.

○ 2022
Physics Olympiad
Ranked in the top 15 at the city level in Physics Olympiads
